

# I'm not a wussy

Music and lyrics by **Sistmunks**

1.)

You are the hottest woman  
Every man's fantasy  
You sleep in my bed with your body  
Everybody's jealous of me  
But am I really lucky about the fact that you belong to me  
I don't think so, you're the worst that could happen to me  
I'm obsessed of your body  
Your ass, hips and lips  
But you want me as your slave  
You treat me like an animal in a cave  
You bitch, what do you think I am  
I throw your clothes out of the door  
Don't wanna see you no more

**Refrain:**

Baby, get out of my home  
I rather stay alone  
You think your weapon is your pussy  
I'm not impressed 'cause I'm not a wussy

2.)

I fell in love with you because you are so beautiful  
I lost my mind, I didn't realize  
That this relationship is painful  
I had to pay a high price  
You are selfish, mean and bad  
You tell a lotta lies  
I love to see you naked, crawling on my bed  
But your behaviour, your attitude drive me mad  
You think you are the princess and I'm your court jester  
But as I threaten to throw you out  
You look frightened like my little sister

Refr.: s.o.

3.)

Now it's over and I can free my mind  
I fell in crazy in love, I must have been blind  
To see that you are danger for me  
I lost my sense for reality

Refr.: s.o.
